ORDER

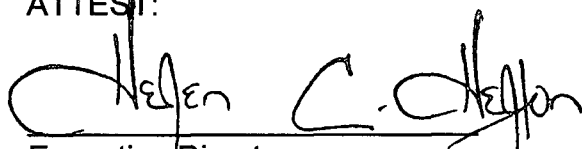

On July 6, 1998, BellSouth Telecommunications, Inc. ("BellSouth") submitted a letter, which the Commission will treat as a motion, requesting that briefs in this case be submitted 15 days from receipt of the transcript. BellSouth also has filed a motion requesting that, since BellSouth responds to AT&T's allegations in this matter, BellSouth's testimony be prefiled subsequent to AT&T's. Both requests appear to be reasonable.

The Commission being sufficiently advised, IT IS HEREBY ORDERED that:

1. BellSouth's motions are granted.
2. Briefs shall be submitted within 15 days from receipt of the transcript.
3. The prefiled testimony of BellSouth shall be due no later than July 27, 1998.

Done at Frankfort, Kentucky, this 14th day of July, 1998.
